Trash Bin

Mounting Instructions
1. 4 flat head bolts

entered from <u>behind</u> panels <u>before</u> hanging on wall.

bottom

16" x 48" Fixture Panel Dimensions

- 2. Screw **lock** washer & nuts to bolts for **bin** firmly to bottom panel **before** hanging panel on wall.
- 3. Mount paper towel dispenser to top panel with 2 flat head bolts and lock washers & nuts tightly before hanging panel.
- 4. Hang panels to wall with adhesive or with additional holes in panel (drill bits are available from Royce Rolls at no charge).

Do not use fixture holes to mount panel to wall.

5. Bin is designed to be removable for cleaning. Screw 2 additional lock washers & nuts loosely to bin panel bolts. Hang bin on keyhole mounts. Tighten bolts firmly for permanent mounting.
